Further Information:

Accommodation, unless otherwise requested, is provided to all students as part of the Group's programme.

Twin rooms may include bunk beds.

Students aged under 16 years cannot be accommodated with students aged 18 years and above.

Our operations department will confirm airport transfer (if applicable) as soon as possible. Please remember to advise us of your final travel arrangements or any accommodation requirements at time of booking or no later than 2 weeks prior to the group arrival date.

If students are making their own way to the Host address, they **MUST** contact their host directly prior to travelling and also once they have landed so the host can give them directions and make sure they (or a member of family) are home to welcome them.
